President's Message

Jack Lancette

What a great ski season I had this year. I was able to take advantage of four well planned ski trips offered by the club and met a lot of long time members. I was hoping for a longer season however, Spring came early and it got too warm too fast. Now summer is just weeks away.

Keeping up with our motto of "A Club for All Seasons" we moved right into our summer activities. We are very fortunate to have dedicated leaders who provide us with social and athletic opportunities so we can get together often and stay fit all

summer long. Jan Carr and Larry Harrison with the cycling and golf programs, Gary Wooschlager running the tennis program and John Whelan who keeps us going with hiking and kayaking.

John and Anne Sonne have put together a cycling weekend at the Lodge for June 18th to the 20th and hopefully many of you will have taken advantage of their efforts. We now have off season group rates for the lodge and I would encourage you to consider using the lodge over the summer. There is a lot of information on our website about where to visit and what to do while there. Check out this link, <http://www.osc-ski.org/lodge/links.asp>.

Pay close attention to our

email "OSC Happenings" so you won't miss out on the Night on the Town outings that Norm Pyzynski puts together or Happy Hour locations by Dianne Emmick and Mary Clay. These are only some of our tried and true activities that are very popular with our members. Also check out our calendar with the link provided by our email or on our website at: www.osc-ski.org.

If you would like to host an activity or pass information of interest on to the membership our email address is: onondagaskiclub@gmail.com.

Hope you all have a safe and healthy summer.

Jack Lancette

Adopt-a-Highway by Neville Sachs

Seventeen dedicated OSC members gave up a gorgeous Saturday morning in late April to make our world look a little nicer. Carol Adamec, Remo Bianco, Don Goulet, Tim Hanna, Marian Jerose, Walt Maier, Mike and Marilyn McCabe, Ed and Michelle Musengo, Ken Robbins, Scott Severance, John and Anne Sonne, Donna Willis, Bob Wylie, and Neville Sachs spent their morning in the Adopt-a-Highway program cleaning the shoulders and median

of Rt. 81 near the Tully interchange. The 25 or so bags of trash included beer cans, more beer cans, McDonald's wrappers, a few soda cans, then more beer cans, more McDonald's wrappers, cigarette packages, several shredded tires, and even more beer cans ... kind'a makes one wonder about some of the driver's interests and abilities, doesn't it? As usual, there were a few interesting surprises. The find of the day was by Tim

Hanna, who picked up a hide-a-key that had a \$20 bill in with the key.

After the work was done most of us went to lunch in Tully. Then three truly dedicated members, Remo, Mike, and Marilyn, went on to the Erie Canal to do a little paddling and some more picking up.
